Modern Slavery Act Policy

Our Commitment to Modern Slavery Act

Global Power understands that any activities which include Modern Slavery and Human Trafficking is a very serious problem and we are committed to limit the risk of such activities in our business functions.

We will ensure that all the persons working in and behalf of Global Power Services, include the directors, employees, agents and contractors will be aware of this policy and will co-operate with us to avoid all kind of human slavery from our business operations.

Global Power will...

- Ensure all our business entities will fully comply with this policy
- Conduct assessment to identify the risk of human trafficking and modern slavery exist in any part of our business
- Avoid all kind of serious exploitation such as; trafficking in persons, slavery, servitude, forced labour, debt bondage, deceptive recruiting for labour or services, and the worst forms of child labour from our organisation.
- Provide awareness of modern slavery issues and company's approach against human slavery to all the employees and workers.
- Endeavour to ensure our suppliers have not been convicted any kind of human slavery in their business network and will make sure they will agree to follow our Modern Slavery Act policy

Responsibility

The Managing Director of Global Power is responsible for the implementation of this Modern Slavery Act Policy. The Policy applies to all employees and sub-contractors engaged in Global Power activities.

Global Power will update this policy on time to time to ensure no human right violations will take place in our organisation
